Martin Asphalt Makes It Easy

PG asphalt, tack emulsions, asphalt emulsions for cold mix, asphalt materials for dust control and priming pavements, roofing asphalts, asphalts for flooring and other specialty applications. Through Martin Asphalt, you get **Everything Asphalt**—a full range of products. In addition, you receive technical assistance in selecting the right materials and application. The company's AASHTO Certified Laboratory makes sure the products meet your specifications. And your products are delivered both on spec and on time via Martin's Gulf Coast network of production plants, storage facilities and transportation fleet including ocean-going and inland barges, rail cars and tanker trucks.
